

From the desk of Balagopal Keeran.

A warm welcome to Warriersonline website !

It gives me immense pleasure to dedicate this site to all members of the warrior community, worldwide.

The concept of having a website like this was conceived from the various obstacles faced by us in Delhi & NCR where distances and other commitments would come in the way of us to network. The only way to get in touch with everyone despite all busy schedules was through the adoption of internet or the world-wide-web.

What was started as a way to bridge this gap and reach out to warrior families in and around Delhi & NCR has today culminated in a site which seeks to bring together all warriors(globally) under one roof.

The managing committee and our webmaster have burnt their mid-night oil to bring up the site in the present format in a very short time frame. We look forward to your active participation and suggestions/contributions to make this initiative a grand success. Let us get together to make it a better world for all of us.

I would like to express my sincere thanks and gratitude to Shri Balakrishna Variar, Shri CA Anil Kumar, Smt. Kala Variar, Smt. Divya Gopal, Mr. Vikram Raghav & Mr. Yash for their untiring efforts to make this dream possible from conceptual to the stage. My special thanks to the members of the warrior community in Delhi & NCR for having inspired the need for creating this site and for the support in our Endeavour.

Wishing you and your family all the very best,

Yours sincerely,

Balagopal Keeran
